5 ADVANTAGES OF CHOOSING BEEMED AS YOUR PARTNER FOR YOUR WEBINAR & eCONGRESS

1. Webinars

For webinars, BeeMed manages the production of your live video streams, including coordination with and preparation of speakers, including rehearsals and pre-recordings when relevant.

2. Engage with participants

Participants are equipped with a mobile application allowing for full interactivity before, during and even post-event.

3. Sponsor exposure/value

Increase sponsor value by offering them relevant exposure via access to a wide variety of functionalities depending on sponsor level, but in all cases way beyond the traditional "sponsor pages".

4. Promotion

Your event will be co-promoted to our constantly growing member base of more than 21'000 medical practitioners from all around the globe.

5. The optimal virtual agenda

Leverage our expertise on how to adapt your agenda to an attractive virtual format for participants and sponsors alike.
